

# Permission to allow armed security at event

## By Sheepdog Defense Group

I am David Riggall and I am the owner and manager for Sheepdog Defense Group. I am requesting permission from Hurst Conference Center Hurst, TX to allow Sheepdog Defense Group to post armed security officers at an event on Nov. 14th 2021 from 7:00 AM AM/PM to 4:00pm AM/PM. We are professional security and are licensed through the Texas Department of Public Safety's Regulatory Services Division. All guards working the event will carry their DPS issued commission card. They are all insured by my company and will follow strict guidelines set forth by myself and the state of Texas.

The person in charge of this event for Sheepdog Defense Group is Mark Haveman and their phone number is 817-689-5677. My phone number is 817-917-8411. Please call me with any questions you may have. This permission is only for the event and times listed on this form. Any further events will require a separate agreement.
